

Przygoda II "odgadnij PIN"

Przygoda III "dostarcz qubit" qubit — kwantowy bit $|\Psi\rangle = a|0\rangle + b|1\rangle$ $|a|^2 + |b|^2 = 1$ uproszczony zapis $|0\rangle + |1\rangle \longrightarrow \frac{1}{\sqrt{2}}|0\rangle + \frac{1}{\sqrt{2}}|1\rangle$
